GOBLET

Raymond T. Kimble, Cambridge, Ohio, assignor to The Cambridge Glass Company, Cambridge, Ohio, a corporation of Ohio

Application April 4, 1956, Serial No. 40,922

Term of patent 14 years

(Cl. D36—8)

FIG. 1

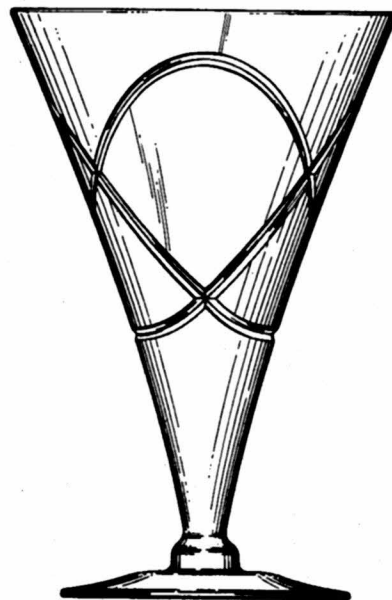

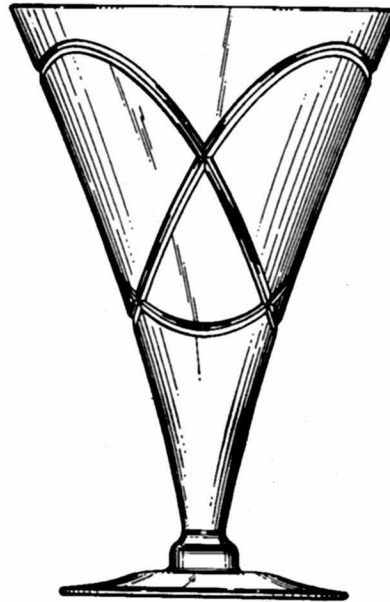

FIG. 2

Figure 1 is an elevational view of a goblet showing my new design; and

Figure 2 is a similar view, with the goblet rotated 90° from the position of Figure 1.

I claim:

The ornamental design for a goblet, substantially as shown.
